

## PRIVACY POLICY FOR THIS IS YOUR COUNTRY TOO ON QUEST 2, QUEST PRO, AND QUEST 3

This Is Your Country Too is a game developed by Strictly Immersive for the Meta Quest platform. We prioritize your privacy and are committed to complying with all applicable privacy regulations, including the European Union's General Data Protection Regulation (GDPR). The game is designed for an entirely offline, solo experience, and no internet connection is required for gameplay. This Is Your Country Too does not collect any personal information, data, or game statistics. We will never request, gather, or transmit any data.

### COMMITMENT TO CONFIDENTIALITY

Strictly Immersive is committed to safeguarding your privacy while you use This Is Your Country Too on the Meta Quest platform. Below are the key points of our privacy policy:

#### Confidential Information

"Confidential Information" refers to any data or information exchanged between Strictly Immersive and the user in any form (though in the context of this game, no such exchange takes place). We guarantee that no personal data will be collected by This Is Your Country Too.

#### Ownership and Use of Data

Any information related to your use of the game will remain entirely private. We do not transmit, sell, or monetize any data, as This Is Your Country Too operates entirely offline. No third-party providers will have access to any information about your gameplay.

#### Duration of the Agreement

This privacy agreement is effective from the moment you download and install This Is Your Country Too. The terms of this agreement will remain in effect for as long as you use the game and, since no data is collected, your privacy is always maintained.

#### Governing Law and Jurisdiction

This privacy policy is governed by the laws applicable in your country of residence, and any disputes related to this policy will be handled under the relevant legal jurisdictions.

#### USER RIGHTS & DATA PROTECTION

As This Is Your Country Too does not collect, store, or process any personal data, you maintain full control over your information. There are no user rights to exercise in relation to personal data, as we do not request or handle any such information.

#### DATA TRANSMISSION

There is no data transmission involved in playing This Is Your Country Too. The game is fully offline and does not require or request an internet connection. As a result, no data, including personal or gameplay-related information, is ever transmitted to us or any third parties.

#### HOW WE PROTECT YOUR PRIVACY

Strictly Immersive is dedicated to ensuring that your privacy is respected throughout your experience with This Is Your Country Too. Specifically, we guarantee that:

This Is Your Country Too is an offline game.

No data, including personal or statistical information, is collected.

No personal information is shared or communicated with any third parties.

The game does not log or store any gameplay statistics or personal details.
